With the approved changes immediately the Pastoral Overseers selected by the General Overseer were presented to the assembly. KIDS CONNECTION CAN USE YOUR OLD EQUIPMENT Kids' Connection needs dual cassette decks and slide projectors with automatic focus. If your church has any that are no longer in use, please consider donating them. When churches make the switch-over to Video and CD's, often they store their cassette decks and slide projectors. We would love to put them to good use.

HEALING REPORTED IN THE D. R. Mark Pyles tells this story of Maria Estela. She lives in the neighborhood next to the church (within walking distance), and started coming to our church a little over a month ago. She heard the Gospel in one of our street crusades and learned of our church.

The first week she visited, she had us pray for a cyst in her breast. It was 2 1/2 centimeters, and was scheduled for surgery. She felt the Lord touch her as we prayed. She went in for her next appointment with her doctor a couple weeks later. The doctor told her that the cyst was shrinking and was now 1 1/2 centimeters in size. However, she was still scheduled for surgery. A couple weeks ago she went to the hospital for her surgery. The surgeon, however, sent her home, because there was nothing to operate on! The Lord has completely healed her of her cyst! **m_pyles@codetel.net.do**

MEN'S PRAYER SUMMIT **October 10th with Dennis Kutzner**

Jesus said that, "Men ought always to pray." Why is it then that many men find it difficult to pray? Though praying engages battle, praying does not have to be a battle. Invite Dennis Kutzner to conduct a Men's Prayer Summit with the men and young men of your church and, together, explore the action, benefit and camaraderie of prayer.

Dennis will share the six battles all men must face and how, together, we can be victorious with our battle for identity, personal holiness, family, hardship or pain, friends, and faith.
